FROM : Deputy Director, Central Intelligence
SUBJECT : Coordination and Routing of Papers for
Submission to the National Security Council
(NSC) or the Psychological Strategy Board
(PSB)

1. Reports, studies and memoranda prepared in CIA for DCI's submission to the National Security Council will be coordinated with interested CIA offices and with the NSC Staff Assistant in O/NE. When fully coordinated the papers will be routed for approval to the Deputy Director under whose jurisdiction the matter in question falls, to any other Deputy Director having an interest, and to DD/I for his presentation to DCI through EA/DCI.

2. Papers prepared for DCI's submission to the Psychological Strategy Board, when fully coordinated with interested CIA offices, will be routed to Deputy Directors having an interest and to DD/P for approval and presentation to DCI through EA/DCI.

3. This directive does not change the procedures currently in effect whereby brief memoranda of comments on NSC and Senior NSC Staff papers are routed to ODD/I for the use of DCI and D/DCI for briefing purposes at Council and Senior NSC Staff meetings, nor the submission to ODD/P of memoranda for the use of DCI and D/DCI at Psychological Strategy Board meetings.

REMARKS: This confirms a practice now in effect. However, DD/P had up to this point never had any formal authority for PSB matters. We had, as a matter of principle, been following this procedure, however. Basically, DD/I is responsible for NSC matters; and DD/P for PSB matters.
