MEMORANDUM FOR: Mr. Kirkpatrick

Kirk:

I should appreciate your giving prompt attention to the attached memorandum. If the recommendations are approved, it is important that they be implemented coincident with the pay raise.

When we obtained Congressional approval of our executive pay structure, we were admonished not to publicize the matter. I think it is still in our best interest to pay heed to this admonition. However, I think the system recommended will not advertise our executive pay scale unnecessarily. Furthermore, I think we should show on personnel actions "Level IV (or Level V), Executive Pay Act of 1964" in lieu of "GS-18" as we do now.

If you approve of the recommendations, we will, of course, contact each individual affected and explain why we are withholding two weeks' pay from him, etc.
