STATINTL

parting words were to say that the upgrading

of the GS-13 to 14 position and establishment of new GS-9 position in Analysis Branch/A&A is not just a simple classification problem. He feels he needs a policy decision on just where to

STATINTL

differentiate between OJCS and OF line of responsibility. He

said he mentioned this to  He stated we should not expect immediate results as he was going to have to work on this one.
