Dear Mr. Hughes:

In accordance with the request contained in your Legislative Referral Memorandum of February 4, 1959, this Agency has reviewed the proposed letter from the Post Office Department to the President of the Senate with respect to a bill authorizing the use of certified mail.

There being no statutes under the administration of this Agency requiring the use of registered mail, there are no laws relating to this Agency to be included in the proposed legislation. In consequence, we have no comments nor objections to the bill in its present form.

Sincerely,
