As can be determined from our monthly reports there has been no activity in the asset accounts since the original installation of these provisions, and as far as can be determined at this time there will be little if any activity in the future.

2. Due to this lack of activity, it is difficult to comment on the value of the procedure in regard to its applicability to a station such as [REDACTED] 25X1A6a. The procedure has worked smoothly here, and, at this point, no modifications are considered necessary or advisable.
