MEMORANDUM FOR: Director of Personnel

SUBJECT : Military Personnel Detailed to the Agency

REFERENCE : My Memorandum to Chief, Central Cover Group, dated today, same subject

1. Reference requests action by addressee to reidentify, to the extent required, military details currently on assignment with the Agency with respect to both the type of funds from which the military services will be reimbursed and the type of military units to which the individuals are assigned by the parent services.

2. This matter was the subject of a discussion on 4 April 1961 between representatives of M&PD, Central Cover Group, and the Technical Accounting Staff of this Office.

3. It was agreed that the following actions would be taken by the Office of Personnel:

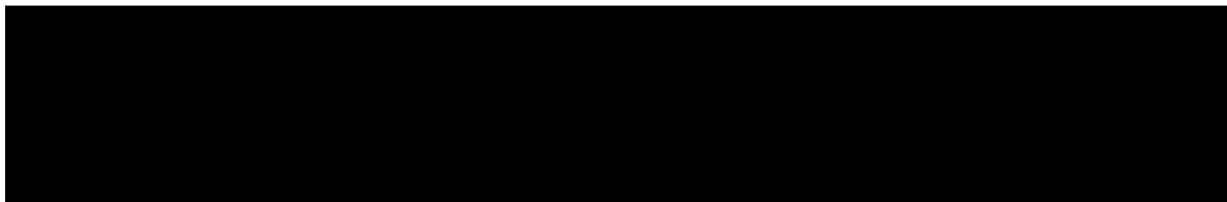

a. Upon receipt of advice from the Central Cover Group through this Office as to its findings relative to required changes in the present identification of details to overt or covert units of assignment, take action to effect any necessary reassignments on the records of the parent services.

b. Review future requisitions for military details for consistency of treatment with respect to overt or covert units of assignment and the use of vouchered and confidential funds. In accordance with [redacted] Detailed Military Personnel, the determination of whether the use of vouchered or confidential funds is compatible with the expected assignment of a requested detail is the responsibility of the requisitioning Agency component.
