MEMORANDUM FOR: OGC

SUBJECT: Filing Financial Statements

I have concluded that under HR [REDACTED] all OGC staff personnel and career agents, GS-15 and above, should file the annual and quarterly financial statements specified by that regulation. Since considerable independent judgment is required of our senior lawyers, I am asking all GS-15's to file, notwithstanding that your duties generally may involve little or no activities in procurement or contracting. In accordance with the regulation, the initial statement should be filed by 1 September 1966.
