MEMORANDUM TO: Chairmen of Working Groups

14 November 1951

25X1A9a

Messrs: [REDACTED]

FROM: Executive Secretary/Career Service Committee

SUBJECT: Addressees' attendance at Career Service Committee Meeting

1. At its meeting on 13 November 1951, the Career Service Committee decided to invite the Chairmen of the six Working Groups to attend its next regular meeting. This meeting will be held from 4:00 to 5:00 P.M. 19 November 1951 in General Davison's office, Room 115, North Building.

2. It is felt that such a meeting will enable both the members of the Committee and the Chairmen of the Working Groups to discuss the overall program as such, as well as various problems which may be related to the responsibilities of two or more Working Groups. While there is no formal agenda for this discussion, it is possible that General Davison may ask each Chairman to speak on the problems which his Working Group has encountered. This meeting might also be a good occasion for the Working Groups to seek modification of their directives, should that be deemed desirable.

3. It is suggested that each addressee bring with him the memorandum from the undersigned, dated 26 October 1951, to which are attached copies of the directives which have been furnished to each Working Group.
