

17 December 1953

MEMORANDUM FOR: CIA Career Service Board

SUBJECT: Nomination of [REDACTED]

25X1A9a

1. I strongly recommend that full consideration be given to the nomination of Mr. [REDACTED] for attendance at the Advanced Management Course at Harvard University. Mr. [REDACTED] has demonstrated fine leadership qualities, is thoroughly competent in directing and administering research, and has definite executive potential. I am particularly impressed by his sincerity, industry, and intellectual integrity. Career-wise, Mr. [REDACTED] would profit greatly from this opportunity of broadening somewhat his area of interests and understanding, and would thereby make himself more adaptable to future service in the Agency.
