MEMORANDUM FOR: Director of Training

SUBJECT : Civil Service Commission Institute on  
International Operations

1. In accordance with our telephone conversation of 28 November, I am attaching the papers that I have relating to a proposed Institute on International Operations. These papers were given to me by Mr. Melvin Wachs [redacted]

2. Mr. Wachs wants a senior operating official of the Agency to address the Institute on Thursday morning of the second week and also apparently expects the Agency to furnish students. I am willing to make the address if this appears desirable, but I suspect that [redacted] can do a much more professional job.
