

10 July 1962

Dear Bill,

On behalf of all of us attending the Counterinsurgency Orientation Course, I want to tell you how much we appreciate your contributing the time and effort to give us such a useful presentation.

I know that many of us, including myself, had become pretty vague and fuzzy about the background and chronology which has led to the present Cuban situation. Your lecture and the subsequent discussion were especially helpful in giving us such a clear perspective. Many thanks.

Sincerely,

Colonel, USMCR
