25X1A a conversation with [Redacted], I learned that a Mr. [Redacted] Chief Security Officer [Redacted] has the agreed upon authority to certify clearances in his area. In anticipation of perhaps some difficulty, I believe it to be a useful thing to have [Redacted] and my EP and SI clearances certified to Mr. [Redacted]. Mr. [Redacted] has already certified TKH to Mr. [Redacted]. This would give us a single point of contact in case any of the DIA clearance messages failed to reach their destination on time.
