NPIC/IPD-354/66
31 October 1966

MEMORANDUM FOR: CIA Member, CODIB

SUBJECT: Comments on Proposed Questionnaire Regarding
                  USIB File and Program Catalog System

REFERENCE: CODIB-D-111/1.9/8, 6 October 1966

    1. Part 1. NPIC has not been included. If NPIC is to be
included as part of CIA, I recommend establishment of a subset
indicator to facilitate internal CIA processing. Modification
to Unit Identification Codes page III-6 and 7 of CODIB-D-111/1.9/4
is required.

    2. Part 3c. A set of cards for one file will be prepared
as a unit, thus man-hour figures for each card format will not be
available. We suggest the following items:

        a. total number of cards

        b. professional man-hours

        c. average professional cost/man-hour

        d. card punch and verify/man-hours

        e. average punch cost/man-hour

    3. Part 4c. Comments on Part 3c apply.

    4. The insert "Identification of Computer Languages" forwarded
by reference does not include SIMSCRIPT 1, 1.5, or 2. Their inclu-
sion is recommended.

                         Chief, Information Processing Division
                                    NPIC
