COMMITTEE ON DOCUMENTATION

MEMORANDUM FOR: Committee on Documentation

SUBJECT : Draft Final Report of Task Team V (Biographics)

1. Since CODIB's 19 May review of the Report of Task Team V on Biographics various aspects of the report have been extensively commented on. You will recall that my main concern has been the absence of guides for action on the community aspects of biographic problems, essentially in the three areas of counterintelligence, name check, and positive intelligence.

2. Accordingly, I directed the CODIB Support Staff to study all papers and the record of discussions held, and to draft recommendations which would better facilitate cooperative action among biographic operating components.

3. The attached draft is the result of that CODIB Support Staff effort.

4. I request that you study it, and be prepared to discuss it at an early CODIB meeting. You should also be prepared to report on current plans or developments in your department bearing on the proposed recommendations.
