Dear Mr. Hiller:

Both General Cushman and I appreciate your invitation to speak before the American Whig-Clisophic Society. As you probably know, General Cushman has been appointed Commandant of the Marine Corps and is no longer Deputy Director.

Dr. Hugh Cunningham, Director of the Office of Training, has been invited to speak to the Woodrow Wilson School. The dates are not yet firm, but I would like to have Dr. Cunningham represent the Agency before your group when he is in Princeton. Dr. Cunningham will be in touch with you directly as to dates.

Sincerely,

Richard Helms

Dear Mr. Helms:

For the past 205 years the American Whig-Cliosophic Society has served as the focal point for political and intellectual activity and discussion in the Princeton community. Past members of the Society include James Madison, Woodrow Wilson, Adlai Stevenson, and John Foster Dulles.

Each year the Princeton University International Relations Council, one of the many branches of the Society, invites prominent individuals in the field of international affairs to visit the campus and address our group. In view of your eminent position in this field, we would be most deeply honored if you would be able to join us some time during the upcoming year.

The topic for the evening may deal with the role of the Central Intelligence Agency in our foreign policy or with the international situation in general. The speech usually lasts about 45 minutes and is followed by a short question-and-answer period. This format is, of course, highly flexible. Although I am fully aware of your busy schedule, I hope you will give your consideration to the following dates: in January--31; in February--2, 3, 4, 7, 8, 11, 14, 15, 16, 17, 21, 22, 24; in March--13, 14, 15, 16, 17, 28, 29; in April--3, 4, 5, 10, 11, 12, 13, 14, 18, 19, 20, 24, 25, 26, 27. If these dates should prove to be inconvenient, I would be most happy to entertain a selected date that you may have.

Hotel and similar arrangements can be arranged very easily, if you desire. We will, of course, take care of any expenses incurred. I enthusiastically hope that you will be able to join us at Princeton. With best wishes, I am

Very truly yours,
