NOTE FOR ADDI

Paul:

In accordance with our conversation last night, it is acceptable to us on the IC Staff that your Planning Staff proceed to draft a report responsive to the Director's request concerning CGAS and COMIREX.

All we ask is that we get a draft early enough in the process to permit adequate time for our consideration and comment.

I understand your action officer on this will be
Ours will be

25X1

25X1
