Dear [Redacted]

I would like to express my personal thanks and appreciation for your quick and enthusiastic response to our request for assistance in improving the index for a special set of Agency files. Your willingness to adjust personal plans and to give up the quiet and pleasures of a retirement to help out is a further reflection of your fine record. It gives me considerable satisfaction and a feeling of warmth to know that there are those among our retired employees who remain so loyal and dedicated to the Agency. Your attitude and performance are fine examples for all of us in the Agency to follow.

Sincerely,

/s/ W. E. Colby
