Remarks:			
<p>EWP asked for a draft letter from the DCI to [redacted] at some stage. The planning of the project to index the Watergate stuff is finished and [redacted] is now involved in Phase II, which is getting people together to actually do the work. I am, consequently, pretty well out of it and attached is a draft of the letter that was asked for. It would be appropriate to send such a letter at any point. [redacted] crew, mostly annuitants and a few former employees, now wives of employees, might get a kick out of receipt of the letter as they start to work.</p> <p>Mr. Colby did the letter for [redacted] [redacted] by hand so we haven't worried much about format.</p>
