MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Dr. Brzezinski,
31 March 1980 [redacted]

1. We talked with Representatives Burlison and Robinson on APEX. Got their general agreement, though Robinson predicted that Chairman Addabbo would want to bring Jack Edwards into it. [redacted]

2. I delivered the article by Brown in THE CHRISTIAN SCIENCE MONITOR and recommended it go to the President. [redacted]

[Large redacted block]

5. I discussed the exchange of maps with the PRC. He agreed with me that the classified maps with targeting data on them were too sensitive to give to the Chinese and we should stick with the other series. [redacted]

6. I told him that [redacted] He expressed some surprise thinking I had been required to get a final clearance. I told him I understood I had that last Wednesday. [redacted]
