MEMORANDUM FOR: Deputy to the DCI for National Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Twenty Questions

As a second thought to my handwritten note last night on the Twenty Questions issue, I think I'd appreciate it if you'd use my list of Twenty Questions for the long-range List A and your list with my annotations for List B. This gives us a specific "Twenty Questions," even though I don't think we will really get to discussion of List A. Having a more restricted list with fewer numbers and more specific questions might discipline us to talk more of priorities rather than totalities.
