President of the United States White House Washington, D.C.

Dear President Kennegy:

I was very disturbed to read in the N. Y. Times that probably the C.I.A. has been subsidizing and is continuing to subsidize South Viet Nam's "special forces" which are conducting raids on pagodas and rounding up protesting students. I was equally disturbed to read a few weeks ago that the first large pagoda raid was conducted by soldiers driving trucks with American insignia and using U.S. weapons. Obviously we are not going to get out of the area so why don't we align ourselves with the angels for once and say that we will actively support the first palatable opposition that comes along.

Sincerely.

Judy Blitman
