TO: Secretary of State
      Secretary of Defense
      Director of Central Intelligence

SUBJECT: Intelligence Installations, Reference NSAM No. 300

As a corollary to the study called for in the referenced National

in consultation with the Secretary of Defense is requested to review
and report on significant intelligence-related installations now
located in politically unstable and unreliable areas, as identified
by the Secretary of State.

The continuing need for such facilities should be analyzed and
alternate plans should be developed against the contingency that
