Dear Mr. Marsh

I want to express to you my personal appreciation for taking time from your busy schedule last Friday to meet with our friends from [redacted]

Your warm hospitality and genuine understanding of the problems which they are facing together with your demonstrated knowledge of the importance of the Far East in the future of the world made a telling impression. They regard their visit with you as one of the high spots of their stay in Washington.

Thank you again for making yourself available.

Sincerely,
