Dear Mr. Kirkpatrick

The Thirteenth Annual Joint Army-Air Force Censorship Course will be held at Amarillo Air Force Base, Texas, during the period 13 July through 24 July 1964.

These courses are conducted to advance the state of readiness of the National Postal and Travelers Censorship Organization as an element of National Censorship. There will be approximately 160 Air Force, 160 Army and 10 Naval Reserve Officers in attendance.

In view of the close relationship that must exist between the Central Intelligence Agency and the censorship organization it would be beneficial if your liaison officer, [redacted] could participate in this training during the period 13-15 July 1964.
