General Thomas S. Power
Commander-in-Chief, Strategic
 Air Command
Headquarters, Offutt Air Force Base
Nebraska

Dear General:

When Mr. McCone appeared recently before the President's
Foreign Intelligence Advisory Board, they advised him that you
had raised the question of SAC's having membership on the USIB
subcommittee on overhead reconnaissance (COMOR).

This has been a subject of consideration and discussion
before and Mr. McCone and I would be happy to review it once
again if you so desire. I would suggest that the next time you are
in Washington Mr. McCone and I sit down with you at a convenient
time and place to discuss the matter. You might also wish to have
Major General J. E. Thomas or perhaps Lieutenant General Joe
Carroll present from the Pentagon.

We shall await word from you at your convenience.

Faithfully yours,

(Signed)

Marshall S. Carter
Lieutenant General, USA
Deputy Director

Dear General:

When I appeared recently before the President's Foreign
Intelligence Advisory Board it followed by a day their visit to
your command. They advised me that you had raised the ques-
tion of SAC's having membership on the USIB subcommittee on
overhead reconnaissance (COMOR).

As you know this has been a subject of consideration and
discussion before and we would be happy to review it once again
if you so desire. I would suggest that you designate a repre-
sentative to discuss the matter with us and I will ask Major
General J. E. Thomas to do likewise as I believe the Pentagon
should be present in our discussions.

Sincerely yours,

John A. McCone
Director
