Dear General Cruikshank:

On behalf of Dr. Wheelon and Mr. Elder, I would like to thank you again for the very splendid briefing which you and your associates gave us yesterday. It was quite enlightening and also heartening to see the fine competence and the harmonious working relationship which you have with other members of the intelligence community.

We were quite honored by your hospitality last evening and all of us came away with a very warm feeling for our intelligence associates and for their value to the community as a whole.

Let me know if at any time we can do anything for you.

All good wishes.

Sincerely,

(Signed) W. F. Raborn
