Department of Defense  
Washington, D. C.

Dear Admiral Lynch:

Please accept our appreciation and thanks for the excellent briefing on the EULOC Study presented under your supervision to this Agency on 16 September 1965 by Colonel H. K. Hansen, USAF, assisted by Colonel J. B. Webel, USA, and Captain G. W. Smith, USN. The presentation was most interesting and informative. The CIA senior officers in attendance were particularly impressed by the scope and complexities of problems which could arise under various situations and of the military planning to meet these contingencies.

The presentation was an important contribution to CIA's understanding of the EULOC problem. We are grateful to you and your fellow officers for an excellent presentation.

Sincerely,

s/ L. K. White
