MEMORANDUM FOR: Mr. Walt W. Rostow
Chairman, Policy Planning Council
Department of State

SUBJECT : Republic of Korea National Policy Paper

1. Part One of the National Policy Paper on the Republic of Korea has been reviewed at various stages by the Central Intelligence Agency, and we are in general agreement with the intelligence judgments on which the policy paper is based.

2. While I endorse those provisions in the paper which have a bearing on U.S. intelligence [redacted] I have no comment to make on the broader aspects of U.S. policy toward the Republic of Korea, these being outside the competence of the Central Intelligence Agency and the Director of Central Intelligence.
