Handwritten mark

**The Honorable Bill D. Moyers
Press Secretary to The President
The White House**

Dear Bill:

Enclosed is a copy of a final draft of my speech before the NSIA this past week. I particularly want to express my appreciation for the excellent suggestions made by your office as to its contents.

It apparently was well received because they all cheered when I sat down.

All good wishes.

Sincerely,

(signed) W. F. Raborn
