Mr. J. Patrick Coyne  
President's Foreign Intelligence  
Advisory Board  
Executive Office Building  
Washington, D. C.

Dear Pat:

Herewith is a draft memorandum which I propose to give to Dick on the subject of coordination of intelligence production. If he accepts the general conclusions of the memorandum, it would serve as the basis of a shorter communication to be formally submitted to the Board.

Would you be good enough to glance it over so that we can discuss it at luncheon tomorrow.

Sincerely,

John A. Bross  
D/DCI/NIPE
