Lt. General Joseph F. Carroll  
Director, Defense Intelligence Agency  
Department of Defense

Dear Joe:

As you know, the Agency recently briefed the Inter-American Affairs Subcommittee of the House Foreign Affairs Committee, at the subcommittee's request. The attached unclassified statement, "Cuban Subversion in Latin America," was prepared at the request of Congressman Selden, the subcommittee chairman. I understand that the Foreign Affairs Committee plans to incorporate the statement in its forthcoming report on recent hearings.

Sincerely yours,

Ray S. Cline  
Deputy Director (Intelligence)
