1 June 1964

SUBJECT: (U) Foreign Missile and Space Activities

TO: Director of Central Intelligence

1. In response to DOD Directive 5100.43, dated 27 April 1964, the Defense Special Missile and Astronautics Center (Defense/SMAC) will become operational on 1 June 1964. The Defense/SMAC will replace the former NSA/SMAC and will be operated jointly by the Directors, DIA and NSA.

2. The Secretary of Defense, by letter dated 27 April 1964 to the Director of Central Intelligence, encouraged the participation of the Central Intelligence Agency in the Defense/SMAC. Accordingly, with a view toward improving DOD-CIA coordination and mutual support, General Blake and I invite you to provide participating representation.
