DATE: 23 July 1964

TO: DDCI

FROM: ADDI/M

SUBJECT:

REMARKS: 1. The dispatch of these two attached letters (to Naval and Air War Colleges) will complete interim action on furnishing service schools with bibliographic assistance on counter-insurgency (see the attached manifest of materials being sent under separate cover).

2. Curator HIC and Bibliographic Section are producing a revised annotated bibliography on counterinsurgency which will be sent to each school on completion (mid-September).

3. A pilot bibliography on Counter-insurgency in Indonesia is in preparation (late August).

4. The Librarian is alerted to respond to any requests resulting from the invitation to have members of college staffs contact us for further assistance.

5. I should add that our ability to help will be severely limited inasmuch as the reduction in T/O assigned to the DDI will among other things result in abolishing the Bibliographic Section of the Library. On the other hand, I don't expect many calls since the schools themselves do much on their own.

Lieutenant General Ralph P. Swofford, USAF  
Commandant, Air War College  
Maxwell Air Force Base, Alabama

Dear General Swofford:

Several of the subjects mentioned in Gen. Robert Taylor's letter of 26 May 1964 have already been covered in bibliographies prepared for our own use. In case you have not already seen them, I am forwarding copies under separate cover.

We are currently reviewing bibliographic listings and original materials on counterinsurgency and plan to issue a revision of our bibliography on this subject later in the summer. We will, of course, mark a copy for your attention.

Faithfully yours,

Note written by Gen. Carter:

"Ralph: Anytime we can help in any way, please just tell us. . . Pat "
