Dear Admiral Raborn:

Your kind letter of 23 September asking me to continue to serve in CIA for a year beyond the time I become eligible to retire was most gratefully received. Let me hastily reply that I acceded to your request with the greatest pleasure and enthusiasm.

I am also appreciative of your desire to reserve the right to ask another extension if this should seem the right thing.

I need not say that the Agency has become a way of life for me and that my years here have been the most satisfying of my life.

Sincerely yours,

Sherman
