The Honorable Lewis L. Strauss  
Chairman  
Atomic Energy Commission

Dear Admiral Strauss:

I am in reply to your letter of October 23, 1956, MAP:GEM, concerning a revision to a previously approved public announcement of the Navy's atomic depth charge capability.

I have no objection to the public release of this revised statement as there appears to be no information therein which would be of value to foreign intelligence.

Sincerely,

Allen W. Dulles
