

21 February 1955

The Honorable Lewis Strauss  
Chairman, U. S. Atomic Energy Commission  
Washington 25, D. C.

Dear Lewis:

I am most anxious to attend an early test by the Commission and greatly regret that I could not get away for those late in February. I gather from the schedule which you have sent me with your kind letter of 8 February, that there may be a further test around 3 April and I shall be in touch with you about this possibility later.

Faithfully yours,
