Evestigation

Honorable J. Edgar Hoover, Director Federal Bureau of Investigation United States Department of Justice Washington 25, D. C.

Dear Mr. Hoover:

It was thoughtful of you to send me the information regarding the views of the Soviets on the present war danger and their appraisal of President Kennedy.

I found this interesting and have taken the liberty of forwarding it to some of my specialists here on a need-to-know basis.

With kindest regards.

Sincerely,

	SIEHER
