Dear Hubert:

Thank you for your letter of 20 April 1961 concerning

[Redacted]

We have noted [Redacted] specific interest in the position of Chief of our [Redacted] which was held by the late [Redacted]. However, in anticipation of his planned retirement we had previously selected an understudy for that position and have given this officer special training for it.

[Redacted] does indeed seem to have much to offer and we shall be glad to consider the possibility of his service with us in some other capacity. I have asked our field representative to call on him to discuss this matter and will let you know if anything promising develops as a result.

We have written to [Redacted] to advise him of our plan to see him and are enclosing a copy of our letter to him for your information.

Thank you again for bringing [Redacted] to my attention.

Best personal regards,

Senator Robert H. Humphrey has written to us in connection with your interest in being considered for the position held by the late [redacted]

We appreciate your expression of interest but that particular position is to be taken over by a career officer who had been previously selected and trained for it. This is in keeping with our usual practice of filling senior positions by the resignation or advancement of career officers in our service. Exceptions do occur from time to time when a requirement develops requiring special qualifications not found among our staff of career officers and we would like to explore with you the possibility of your interest in being considered for such openings. Toward this end, our field representative in your area, [redacted] will call on you shortly to discuss this matter with you.

Your generous offer to be of service to our organization is appreciated.
