Honorable George A. Wyeth, Jr.
Executive Director
Business Advisory Council
Department of Commerce
Washington, D. C.

Dear George:

I enclose a copy of a self-explanatory letter which I have received from David Rockefeller with its enclosure. I also send a copy of my reply.

It occurred to me that in connection with the study the B.A.C. is making, you might wish to be in touch with David and with his European friends. That, however, I leave entirely to your good judgment.

Sincerely,

Signed
Allen W. Dulles
