Hon. Robert Murphy
Deputy Under Secretary of State
Department of State
Washington 25, D. C.

Dear Bob:

You mentioned to me a slight misunderstanding which had occurred in connection with some remarks of Cord Meyer at a recent meeting of the Task Force on Labor problems. I have gone into this, and I think the misunderstanding could easily be cleared up if Cord Meyer could have five minutes with you sometime at your convenience. I think this is a better way to handle it than to do it by correspondence.

Faithfully yours,

AWD
