MEMORANDUM FOR THE DIRECTOR

SUBJECT: Draft Memorandum for the President, "Future Policy Toward Cuba"

- 1. I have had five copies of this memorandum made and have distributed one to DD/I and one to DD/P. Both are looking it over with a view to possible comment.
- 2. There is no Annex A and if there is to be one, CIA has the only competence to prepare it.
- 3. My immediate comment on the paper is that it is not a matter of extreme urgency and should be thoroughly staffed by all interested agencies prior to being submitted to the President. It certainly should not be a matter for substantive discussion on the base of the several hours you and presumably the other senior address to the President have had to study it.
