3. A reminder that a State-JCS meeting has been scheduled for 3:30 in the JCS conference room on Friday, 6 December. You have been invited. I urge you to try to make this meeting ~~and to~~ <sup>make it</sup> ~~take Ray Cline with you~~. These are useful in getting views on topics which usually go on to higher echelons for consideration. The two topics to be discussed are Iran (Ambassador Holmes will brief on the situation there.) and (2) US and Canadian views on the limitation of territorial seas. Can we tell JCS you will be there?
