NOTES FOR DDCI

2 December 1963

1. A recheck with [redacted] shows that he does not have any knowledge of a "Soviet briefing" in which the Pentagon is participating. It turns out that Clifton was thinking of the NSC briefings on 11-8, 11-3, and the Soviet Economy which we are working on.

3. The latest foreign intelligence official to extend condolences over the President's assassination to the DCI is [redacted]

25X1 ✓

4. After the Morning Meeting, 2 December when the DCI raised the subject of the President's concern over the Alliance for Progress; Larry Houston sent a memo to the DCI touting [redacted] of [redacted] as an extremely knowledgeable man who may be someone the President would want to consult on this matter.
