MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT : Soviet Knowledge of U. S. Satellite  
Photography

1. I would like to have you prepare an all-source analysis of the probable degree of knowledge that the Soviets have as to our satellite photography. The fact of satellite photography is obvious to all but I have a feeling we may have our head in the sand as to the degree of knowledge the Soviets have as to resolution, programming, readout, etc.

2. Please coordinate this with DD/P and DD/S&T.

Marshall S. Carter  
Lieutenant General, USA  
Acting Director
