

12 March 1964

Instructions

Please handle my mail with the greatest of decorum.  
Open and read it and route as follows:

1. All official mail or anything involving Agency activities, show to Mr. Kirkpatrick and get into proper channels.

2. All personal mail which does not require sanitization and correspondence probably known to the rest of my family, burn a copy and send to Mrs. Carter.

3. Any mail requiring sanitization, keep it here until I get back. (There was a girl back in 1929 that may see my name in the newspaper -- I think the statute of limitations has probably expired by now.)

Please check with Mrs. Carter occasionally and have Kirk or Elder or  or whoever will be sending us messages, include a sentence as to how things are going.
