5 November 1965

MEMORANDUM FOR THE RECORD	×
Morning Meeting of 5 November 1965	
of OCI gave a background briefing on Syria.	
DD/I noted completion of an Agency study of the Chinese Communist advanced weapons threat. The study relates to the Defense Secretary's consideration of NIKE-X as a defensive weapon against a ChiCom threat. Our study is in disagreement with one done by DIA. A covering letter to SecDef for DCI signature has been prepared. is alerted and will make the study available.	
	25X1
DD/I referred to the and his hopes that current negotiations with DIA will permit the Agency to relax its efforts in this program.	25X1
	25X1
DD/S reported the unsuccessful efforts to make part consultant work with us. has left company.	25X1 25X1
de Silva reported that he had briefed this week House Foreign Affairs Committee Staff Director Crawford who will be visiting Vietnam with Representative Wayne Hays. de Silva will brief Representative Casey today. Casey will visit Vietnam with Representative Teague.
