MEMORANDUM FOR THE RECORD

Morning Meeting of 25 August 1966

Godfrey reported on the most recent activities of the Red Vigilantes in Peking, noting that while they undoubtedly have the support of the top leadership, there are a few indications that they have been resisted by some elements of the Army and unions.

25X1 [] noted that Alain Enthoven, Assistant Secretary for Systems Analysis in DOD, is scheduled to meet with ONE and other interested parties on 7 September regarding the production of National Intelligence Projections for Planning.

DD/S reported that the President has decreed a half day free time on 29 August for all Government workers who can be spared because of the American Legion parade. An appropriate Agency notice to this effect will be issued.

25X1 [] reported that Bob Komer called to request weekly reports on Viet Cong harassment of the election proceedings in South Vietnam. The reports will be disseminated to several key Governmental officials.

25X1 [] noted that the Executive Director will meet with William Darden, of the Senate Appropriations Committee staff, and William Woodruff, of the Senate Armed Services Committee staff, tomorrow to brief them on the [] 25X1

25X1 [] reported that Senators Anderson and Smith of the Senate Aeronautical and Space Sciences Committee have requested a briefing on the Soviet space program. The Director asked that either Dr. Wheelon or Carl Duckett provide the briefing. 25X1

Bross noted that Dick Bissell and [] will be at Headquarters today for a meeting concerning intelligence on Soviet strategic missiles.
