9 December 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 9 December 1966

A-DD/S&T gave a briefing on long-range research and development in U. S. missilery.

DD/I reported that he will be giving a briefing on Vietnam this afternoon to the foreign liaison officers and that he will caution them on the sensitivity of the subject matter.

DD/I reported on a briefing at NPIC yesterday for [redacted] of ISA. He tabled a handbook on instability in the Western Hemisphere which he intends for distribution today. (See Action 1)

Godfrey reported that further [redacted] [redacted] He invited the Director's attention to a published Special Report on "The Communist Challenge in India." In this connection, he reported on a discussion at yesterday's session of the Interdepartmental Planning Group on the food situation in India.

DD/S said that the Bureau of Public Roads has complained about Agency personnel using their property as a short cut during rush-hour traffic. He intends to publish a notice in order to stop this activity. The Director said that, if the notice does not have the desired effect, it might be necessary to use other measures.

Carver said that Komer has indicated he would prefer even more analysis in the Vietnam Sitrep. Carver discussed the composition of the Radical Solutions Group, which met yesterday.

Carver noted indications that the Communists are sometimes warned of B-52 strikes and said that he has asked [redacted] to look into this.
