## MEMORANDUM FOR THE RECORD

## Morning Meeting of 30 November 1966

Godfrey noted an Annex in the Vietnam Sitrep of 29 November on the situation in Long An Province and stated that this would probably be carried in the President's Daily Brief.  In response to a question from the Director, reported that 25X1 would sub for him on reconnaissance matters, that J. J.  Hitchcock would handle the SIGINT account while Drex Godfrey would handle the Watch Report.  Bannerman reported on demonstrations at several universities against CIA recruitment activities, and he noted that the FBI was assisting in trying to examine the backgrounds of these groups of demonstrators.  Carver noted that a memo would be available for the Director shortly on the applicability of Vietnam pacification grid 25X1  Warner noted that Michaels, a Staff Aide of Mahon's, would be coming to Headquarters for briefings on the Budget and Soviet ABM matters.  Chamberlain reported that had approved TACKLE 25X1 deployment to in early December. He also noted an AEC study	iviorining iviocon
