MEMORANDUM FOR THE RECORD

Morning Meeting of 20 May 1966

The DCI noted that he was reviewing the transcript of his appearance before the Foreign Relations Committee some weeks ago. (See Action item 1)

R. Jack Smith read extracts from a report on [redacted] talks with selected university personnel and tabled copies. [redacted] suggested, and the DCI agreed, that this matter should also be brought to the attention of the President's Board. Fitzgerald stated that he would use it at a luncheon at the White House today. DCI emphasized that the individual university personnel should be protected and their names not used. (See Action item 2)

The DCI noted that he had received a letter dated 13 May from John McCone concerning the New York Times articles. He requested that should Mr. McCone levy any requirements on members of the Executive Committee, they touch base with the DCI.

Godfrey reviewed the current situation in Da Nang. He noted a Weekly article on the political situation in Syria.

Kent reported that the Agency Educational Aid Fund had made various scholarship grants.

At the DDCI's request, [redacted] briefed on the USIB discussions yesterday on the SIGINT collection guidance paper. (See Action item 3)

ACTIONS

1. The DCI requested that a paper be prepared, possibly for Senator Symington's use, which would clarify certain points in his testimony before the Senate Foreign Relations Committee. This paper would point out that the only questions which the DCI declined to answer were those which, by law, violate his responsibility for the protection of sources and methods. (OGC in the course of the day)

DONE

2. The DCI requested that the Agency committees and the PFIAB be informed of the favorable remarks [redacted] found at various universities. (OGC by 1 June. D/NIPE to include in the Agency report to the President's Board next week.)

25X1

3. The DCI requested that the question of cost effectiveness in SIGINT collection be clearly recorded. [redacted]
